FISCAL DESCRIPTION

This proposal allows a motor vehicle dealer to charge an administrative fee for the storage of documents or other administrative or clerical services and a portion of the administrative fee may result in profit to the dealer. Under proposed legislation, no motor vehicle dealer that sells or leases motor vehicles and imposes an administrative fee of less than \$200 in the connection with the sale or lease of such vehicle shall be deemed to be engaging in the unauthorized practice of law. If an administrative fee is charged, the administrative fee shall be charged to all retail customers, unless prohibited by the motor vehicle dealer's franchiser, and disclosed on the retail buyer's order form as a separate itemized charge.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
